

April 2019

Welcome to a year of Newness and Prosperity at Al-Fitrah Foundation

I would like to take this opportunity to invite all of our stakeholders to journey alongside Al-Fitrah Foundation through a year of Newness and Prosperity.

As the newly appointed Convenor of this phenomenal organisation, it is of utmost importance to continue to deliver a service with the highest of integrity, compassion and authenticity. Having worked in the social activism arena for nearly a decade, I personally believe that adding value is a two way learning process.

Upon reflection thus far, a huge appreciation to the Al-Fitrah Foundation's staff, both permanent as well as the volunteers who continue to show up with pure commitment and passion - Thank you!

It will certainly be an exciting 2019 for all of us. A year of growth, opportunity and prosperity. Together, we will be able to achieve the vision and mission of this Organisation.

For the above to happen, a huge acknowledgement is sent to all our donors, supporters and friends that believe in the work that we are so passionate about - Thank you!

With that said, it is a collective responsibility on all of us to work together to achieve the same intention.

Warm regards,

Nicole Joy Alexander

Convenor
